A NEW CLUB HOUSE IS URGENTLY NEEDED TO PROVIDE ADEQUATE LIFESAVING SERVICES AND FACILITIES. FUNDRAISING FOR THE NEW CLUB HOUSE BUILD HAS ALREADY RECEIVED TREMENDOUS SUPPORT FROM THE COMMUNITY.

Thank you to more than 150 families who have generously contributed more than \$1.5m over the recent summer season. Along with funds saved by the club and state government contributions, we have now raised \$3.75m. The club needs to raise the final \$750,000 from the community and government by September 2018.

We need your help.

To close the gap, we need all to give generously. Your gift, large, small or in-kind, will allow us to start the build in February 2019.
